### **RESOLUTION PROVIDING FOR THE ISSUANCE AND SALE OF GENERAL OBLIGATION SCHOOL BONDS, SERIES 2006, IN THE MAXIMUM AGGREGATE PRINCIPAL AMOUNT OF \$39,615,000 OF FAUQUIER COUNTY, VIRGINIA, HERETOFORE AUTHORIZED, AND PROVIDING FOR THE FORM, DETAILS AND PAYMENT THEREOF**

**WHEREAS**, the issuance of \$39,615,000 general obligation school bonds of Fauquier County, Virginia (the "County"), was authorized by a resolution adopted by the Board of Supervisors (the "Board") on December 9, 2004, and approved by the qualified voters of the County at an election held on March 15, 2005, to finance the acquisition, construction and

equipping of a new high school in the County (the "Project"), none of which bonds have been issued and sold; and

**WHEREAS**, the County administration, in consultation with BB&T Capital Markets, a division of Scott & Stringfellow, Inc., the County's financial advisor (the "Financial Advisor"), has recommended to the Board that the County issue and sell a single series of general obligation school bonds in the maximum aggregate principal amount of \$39,615,000 to pay a portion of the costs of the Project and the costs incurred in connection with issuing such bonds;

**BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF FAUQUIER COUNTY, VIRGINIA:**

**1. Issuance of Bonds.** There shall be issued and sold, pursuant to the Constitution and statutes of the Commonwealth of Virginia, including the Public Finance Act of 1991, general obligation school bonds of the County in the maximum aggregate principal amount of \$39,615,000 (the "Bonds") to provide funds to pay a portion of the costs of the Project and the costs incurred in connection with issuing the Bonds.

**2. Bond Details.** The Bonds shall be designated "General Obligation School Bonds, Series 2006," shall be in registered form, shall be dated such date as may be determined by the County Administrator (the "County Administrator," which term as used herein shall include any Deputy County Administrator), shall be in denominations of \$5,000 and integral multiples thereof and shall be numbered R-1 upward. Subject to Section 8, the issuance and sale of the Bonds are authorized on terms as shall be satisfactory to the County Administrator; provided, however, that the Bonds shall (a) have a "true" or "Canadian" interest cost not to exceed 6.00% (taking into account any original issue discount or premium), (b) be sold at a price not less than 100% of the original aggregate principal amount thereof (excluding any original issue discount) and (c) mature or be subject to mandatory sinking fund redemption in annual installments ending no later than December 31, 2026.

Each Bond shall bear interest from its date at such rate as shall be determined at the time of sale, calculated on the basis of a 360-day year of twelve 30-day months, payable semiannually on dates determined by the County Administrator. Principal and premium, if any, shall be payable to the registered owners upon surrender of Bonds as they become due at the office of the Registrar (as hereinafter defined). Interest shall be payable by check or draft mailed to the registered owners at their addresses as they appear on the registration books kept by the Registrar on a date prior to each interest payment date that shall be determined by the County Administrator (the "Record Date"). Principal, premium, if any, and interest shall be payable in lawful money of the United States of America.

Initially, one Bond certificate for each maturity of each series of the Bonds shall be issued to and registered in the name of The Depository Trust Company, New York, New York ("DTC"), or its nominee. The County has heretofore entered into a Letter of Representations relating to a book-entry system to be maintained by DTC with respect to the Bonds. "Securities Depository" shall mean DTC or any other securities depository for the Bonds appointed pursuant to this Section.

In the event that (a) the Securities Depository determines not to continue to act as the securities depository for the Bonds by giving notice to the Registrar, and the County discharges its responsibilities hereunder, or (b) the County in its sole discretion determines (i) that beneficial owners of Bonds shall be able to obtain certificated Bonds or (ii) to select a new Securities Depository, then the Finance Director of the County shall, at the direction of the County, attempt to locate another qualified securities depository to serve as Securities Depository and authenticate and deliver certificated Bonds to the new Securities Depository or its nominee, or authenticate and deliver certificated Bonds to the beneficial owners or to the Securities Depository participants on behalf of beneficial owners substantially in the form provided for in Section 5; provided, however, that such form shall provide for interest on the Bonds to be payable (A) from the date of the Bonds if they are authenticated prior to the first interest payment date, or (B) otherwise from the interest payment date that is or immediately precedes the date on which the Bonds are authenticated (unless payment of interest thereon is in default, in which case interest on such Bonds shall be payable from the date to which interest has been paid). In delivering certificated Bonds, the Finance Director of the County shall be entitled to rely on the records of the Securities Depository as to the beneficial owners or the records of the Securities Depository participants acting on behalf of beneficial owners. Such certificated Bonds will then be registrable, transferable and exchangeable as set forth in Section 7.

So long as there is a Securities Depository for the Bonds (1) it or its nominee shall be the registered owner of the Bonds, (2) notwithstanding anything to the contrary in this Resolution, determinations of persons entitled to payment of principal, premium, if any, and interest, transfers of ownership and exchanges and receipt of notices shall be the responsibility of the Securities Depository and shall be effected pursuant to rules and procedures established by such Securities Depository, (3) the Registrar and the County shall not be responsible or liable for maintaining, supervising or reviewing the records maintained by the Securities Depository, its participants or persons acting through such participants, (4) references in this Resolution to registered owners of the Bonds shall mean such Securities Depository or its nominee and shall not mean the beneficial owners of the Bonds, and (5) in the event of any inconsistency between the provisions of this Resolution and the provisions of the above-referenced Letter of Representations such provisions of the Letter of Representations, except to the extent set forth in this paragraph and the next preceding paragraph, shall control.

**3. Redemption Provisions.** The Bonds may be subject to redemption prior to maturity at the option of the County on or after dates, if any, determined by the County Administrator, in whole or in part (in \$5,000 integrals) at any time, at a redemption price equal to the principal amount of the Bonds, together with any interest accrued to the redemption date, plus a redemption premium not to exceed 2% of the principal amount of the Bonds, such redemption premium to be determined by the County Administrator.

Any term Bonds may be subject to mandatory sinking fund redemption upon terms determined by the County Administrator.

If less than all of the Bonds are called for redemption, the maturities of the Bonds to be redeemed shall be selected by the Finance Director of the County in such manner as he may determine to be in the best interest of the County. If less than all the Bonds of a particular maturity are called for redemption, the Bonds within such maturity to be redeemed shall be

selected by the Securities Depository pursuant to its rules and procedures or, if the book-entry system is discontinued, shall be selected by the Registrar by lot in such manner as the Registrar in its discretion may determine. In either case, (a) the portion of any Bond to be redeemed shall be in the principal amount of \$5,000 or some integral multiple thereof and (b) in selecting Bonds for redemption, each Bond shall be considered as representing that number of Bonds that is obtained by dividing the principal amount of such Bond by \$5,000. The County shall cause notice of the call for redemption identifying the Bonds or portions thereof to be redeemed to be sent by facsimile transmission, registered or certified mail or overnight express delivery, not less than 30 nor more than 60 days prior to the redemption date, to the registered owner of the Bonds. The County shall not be responsible for giving notice of redemption to anyone other than DTC or another qualified securities depository then serving or its nominee unless no qualified securities depository is the registered owner of the Bonds. If no qualified securities depository is the registered owner of the Bonds, notice of redemption shall be mailed to the registered owners of the Bonds. If a portion of a Bond is called for redemption, a new Bond in principal amount equal to the unredeemed portion thereof will be issued to the registered owner upon the surrender thereof.

In the case of an optional redemption, the notice may state that (1) it is conditioned upon the deposit of moneys, in an amount equal to the amount necessary to effect the redemption, no later than the redemption date or (2) the County retains the right to rescind such notice on or prior to the scheduled redemption date (in either case, a "Conditional Redemption"), and such notice and optional redemption shall be of no effect if such moneys are not so deposited or if the notice is rescinded as described herein. Any Conditional Redemption may be rescinded at any time. The County shall give prompt notice of such rescission to the affected Bondholders. Any Bonds subject to Conditional Redemption where redemption has been rescinded shall remain outstanding, and the rescission shall not constitute an event of default. Further, in the case of a Conditional Redemption, the failure of the County to make funds available on or before the redemption date shall not constitute an event of default, and the County shall give immediate notice to all organizations registered with the Securities and Exchange Commission as securities depositories or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

**4. Execution and Authentication.** The Bonds shall be signed by the manual or facsimile signature of the Chairman or Vice Chairman of the Board, shall be countersigned by the manual or facsimile signature of the Clerk or Deputy Clerk of the Board and the Board's seal shall be affixed thereto; provided, however, that if both of such signatures are facsimiles, no Bond shall be valid until it has been authenticated by the manual signature of the Registrar or if a bank has been appointed registrar pursuant to Section 7, an authorized officer or employee of such bank and the date of authentication noted thereon.

**5. Bond Form.** The Bonds shall be in substantially the form attached hereto and incorporated herein by this reference as Exhibit A, with such completions, omissions, insertions and changes not inconsistent with this Resolution as may be approved by the officers signing the Bonds, whose approval shall be evidenced conclusively by the execution and delivery of the Bonds.

**6. Pledge of Full Faith and Credit.** The full faith and credit of the County are irrevocably pledged for the payment of principal of and premium, if any, and interest on the Bonds. Unless other funds are lawfully available and appropriated for timely payment of the Bonds, the Board shall levy and collect an annual ad valorem tax, over and above all other taxes authorized or limited by law and without limitation as to rate or amount, on all locally taxable property in the County sufficient to pay when due the principal of and premium, if any, and interest on the Bonds.

**7. Registration, Transfer and Owners of Bonds.** SunTrust Bank (or any successor entity), Richmond, Virginia, is hereby appointed paying agent and registrar for the Bonds (the "Registrar"). The Registrar shall maintain registration books for the registration and registration of transfers of Bonds. Upon presentation and surrender of any Bonds to the Registrar, or its corporate trust office if the Registrar is a bank or trust company, together with an assignment duly executed by the registered owner or his duly authorized attorney or legal representative in such form as shall be satisfactory to the Registrar, the County shall execute and the Registrar shall authenticate, if required by Section 4, and deliver in exchange, a new Bond or Bonds having an equal aggregate principal amount, in authorized denominations, of the same form and maturity, bearing interest at the same rate, and registered in names as requested by the then registered owner or his duly authorized attorney or legal representative. Any such exchange shall be at the expense of the County, except that the Registrar may charge the person requesting such exchange the amount of any tax or other governmental charge required to be paid with respect thereto.

The Registrar shall treat the registered owner as the person exclusively entitled to payment of principal, premium, if any, and interest and the exercise of all other rights and powers of the owner, except that interest payments shall be made to the person shown as owner on the registration books on the Record Date.

**8. Sale of Bonds.** The Bonds shall be sold by competitive bid. The County Administrator shall determine (a) the interest rates of the Bonds, maturity schedule of the Bonds and the price to be paid for the Bonds, subject to the limitations set forth in Section 2, (b) the redemption provisions of the Bonds, subject to the limitations set forth in Section 3 and (c) the dated date, the principal and interest payment dates and the Record Date of the Bonds, all as the County Administrator determines to be in the best interests of the County.

The County Administrator shall receive bids for the Bonds and award the Bonds to the bidder providing the lowest "true" or "Canadian" interest cost, subject to the limitations set forth in Section 2. Following the sale of the Bonds, the County Administrator shall file a certificate with the Clerk of the Board setting forth the final terms of the Bonds. The actions of the County Administrator in selling the Bonds shall be conclusive, and no further action shall be necessary on the part of the Board.

**9. Notice of Sale.** The County Administrator, in collaboration with the Financial Advisor, is authorized and directed to take all proper steps to advertise the Bonds for sale substantially in accordance with the form of Notice of Sale, copies of which have been presented to this meeting, which is hereby approved; provided that the County Administrator, in

collaboration with the Financial Advisor, may make such changes in the Notice of Sale not inconsistent with this Resolution as he may consider to be in the best interest of the County.

**10. Official Statement.** The draft of a Preliminary Official Statement describing the Bonds, copies of which have been provided to the members of the Board, is approved as the form of the Preliminary Official Statement by which the Bonds will be offered for sale, with such completions, omissions, insertions and changes not inconsistent with this Resolution as the County Administrator, in collaboration with the Financial Advisor, may consider appropriate. The County Administrator is authorized and directed to execute an Official Statement in final form (the "Official Statement") and deliver it to the purchaser of the Bonds. The Official Statement shall be in substantially the form of the Preliminary Official Statement submitted to this meeting, with such completions, omissions, insertions and other changes as may be approved by the County Administrator, in collaboration with the Financial Advisor, the execution thereof by the County Administrator to constitute conclusive evidence of his approval of any such completions, omissions, insertions and changes. The County shall arrange for the delivery to the purchaser of the Bonds of a reasonable number of copies of the final Official Statement, within seven business days after the Bonds have been sold, for delivery to each potential investor requesting a copy of the Official Statement and to each person to whom the purchaser initially sells Bonds.

**11. Official Statement Deemed Final.** The County Administrator is authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12 (the "Rule") of the Securities and Exchange Commission (the "SEC"), except for the omission in the Preliminary Official Statement of certain pricing and other information permitted to be omitted pursuant to the Rule. The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed final as of its date by the County, except for the omission in the Preliminary Official Statement of such pricing and other information permitted to be omitted pursuant to the Rule.

**12. Preparation and Delivery of Bonds.** After the Bonds have been awarded, the Chairman or Vice Chairman and the Clerk or Deputy Clerk of the Board are authorized and directed to take all proper steps to have the Bonds prepared and executed in accordance with their terms and to deliver the Bonds to the purchaser thereof upon payment therefor.

**13. Arbitrage Covenants.** The County covenants that it shall not take or omit to take any action the taking or omission of which will cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended, and regulations issued pursuant thereof (the "Code"), or otherwise cause interest on the Bonds to be includable in the gross income of the registered owners thereof under existing law. Without limiting the generality of the foregoing, the County shall comply with any provision of law which may require the County at any time to rebate to the United States any part of the earnings derived from the investment of the gross proceeds of the Bonds, unless the County receives an opinion of nationally recognized bond counsel that such compliance is not required to prevent interest on the Bonds from being includable in the gross income of the registered owners thereof under existing law. The County shall pay any such required rebate from its legally available funds.

**14. Non-Arbitrage Certificate and Elections.** Such officers of the County as may be requested are authorized and directed to execute an appropriate certificate setting forth the expected use and investment of the proceeds of the Bonds in order to show that such expected use and investment will not violate the provisions of Section 148 of the Code, and any elections such officers deem desirable regarding rebate of earnings to the United States for purposes of complying with Section 148 of the Code. Such certificate and elections shall be in such form as may be requested by bond counsel for the County.

**15. Limitation on Private Use.** The County covenants that it shall not permit the proceeds of the Bonds or the facilities financed with the proceeds of the Bonds to be used in any manner that would result in (a) 5% or more of such proceeds or the facilities financed with such proceeds being used in a trade or business carried on by any person other than a governmental unit, as provided in Section 141(b) of the Code, (b) 5% or more of such proceeds or the facilities financed with such proceeds being used with respect to any output facility (other than a facility for the furnishing of water), within the meaning of Section 141(b)(4) of the Code, or (c) 5% or more of such proceeds being used directly or indirectly to make or finance loans to any persons other than a governmental unit, as provided in Section 141(c) of the Code; provided, however, that if the County receives an opinion of nationally recognized bond counsel that any such covenants need not be complied with to prevent the interest on the Bonds from being includable in the gross income for federal income tax purposes of the registered owners thereof under existing law, the County need not comply with such covenants.

**16. Continuing Disclosure Agreement.** The Chairman or Vice-Chairman of the Board or the County Administrator, any of whom may act, are hereby authorized and directed to execute a continuing disclosure agreement setting forth the reports and notices to be filed by the County and containing such covenants as may be necessary to assist the purchaser of the Bonds in complying with the provisions of the Rule promulgated by the SEC. Such continuing disclosure agreement shall be substantially in the form of Appendix C to the draft Preliminary Official Statement presented to this meeting, with such completions, omissions, insertions and changes that are not inconsistent with this Resolution.

**17. SNAP Investment Authorization.** The Board has received and reviewed the Information Statement (the "Information Statement") describing the State Non-Arbitrage Program of the Commonwealth of Virginia ("SNAP") and the Contract Creating the State Non-Arbitrage Program Pool I (the "Contract"), and the Board has determined to authorize the County Treasurer to utilize SNAP in connection with the investment of the proceeds of the Bonds, if the County Administrator determines that the utilization of SNAP is in the best interest of the County. The Board acknowledges that the Treasury Board of the Commonwealth of Virginia is not, and shall not be, in any way liable to the County in connection with SNAP, except as otherwise provided in the Contract.

**18. Other Actions.** All other actions of officers of the County in conformity with the purposes and intent of this Resolution and in furtherance of the issuance and sale of the Bonds are approved and confirmed. The officers of the County are authorized and directed to execute and deliver all certificates and instruments and to take all such further action as may be considered necessary or desirable in connection with the issuance, sale and delivery of the Bonds.

**19. Repeal of Conflicting Resolutions.** All resolutions or parts of resolutions in conflict herewith are repealed.

**20. Effective Date.** This Resolution shall take effect immediately.

The undersigned Clerk of the Board of Supervisors of Fauquier County, Virginia, certifies that the foregoing constitutes a true and correct extract from the minutes of a regular meeting of the Board held on the 14th day of September, 2006, and of the whole thereof so far as applicable to the matters referred to in such extract.

Fauquier County, Virginia (the "County"), for value received, promises to pay, upon surrender hereof to the registered owner hereof, or registered assigns or legal representative, the principal sum stated above on the maturity date stated above, subject to prior redemption as hereinafter provided, and to pay interest hereon from its date semiannually on each \_\_\_\_\_ and \_\_\_\_\_, beginning \_\_\_\_\_, \_\_\_\_\_, at the annual rate stated above, calculated on the basis of a 360-day year of twelve 30-day months. Principal, premium, if any, and interest are payable in lawful money of the United States of America by SunTrust Bank (or any successor entity), Richmond, Virginia, who has been appointed paying agent and registrar for the bonds (the "Registrar").

Notwithstanding any other provision hereof, this bond is subject to a book-entry system maintained by The Depository Trust Company, New York, New York ("DTC"), and the payment of principal, premium, if any, and interest, the providing of notices and other matters shall be made as described in the County's Blanket Letter of Representation to DTC.

This bond is one of an issue of \$\_\_\_\_\_ General Obligation School Bonds, Series 2006, of like date and tenor, except as to number, denomination, rate of interest, privilege of redemption and maturity. The bonds were authorized by a resolution adopted by the County Board of Supervisors on December 9, 2004, and were approved by the qualified voters of the County at a referendum held on March 15, 2005. The bonds are issued pursuant to the Constitution and statutes of the Commonwealth of Virginia, including the Public Finance Act of 1991, and a resolution adopted by the County Board of Supervisors on September [14], 2006, to provide funds to finance the acquisition, construction and equipping of a new high School in the County and to pay the cost of issuing the bonds.

Bonds maturing on or before \_\_\_\_\_, \_\_\_\_\_, are not subject to redemption prior to maturity. Bonds maturing on or after \_\_\_\_\_, \_\_\_\_\_, are subject to redemption prior to maturity at the option of the County on or after \_\_\_\_\_, \_\_\_\_\_, in whole or in part (in integrals of \$5,000) at any time, upon payment of the following redemption prices (expressed as a percentage of principal amount of bonds to be redeemed) plus interest accrued and unpaid to the redemption date:

<b>Period During Which Redeemed</b> <b><u>Both Dates Inclusive</u></b>	<b>Redemption</b> <b><u>Price</u></b>
_____, _____, to _____, _____	_____ %
_____, _____, to _____, _____	_____
_____, _____, and thereafter	_____

If less than all of the bonds are called for redemption, the maturities of the bonds to be redeemed shall be selected by the Finance Director of the County in such manner as may determined to be in the best interest of the County. If less than all the bonds of a particular maturity are called for redemption, the bonds within such maturity to be redeemed shall be selected by DTC or any successor securities depository pursuant to its rules and procedures or, if the book entry system is discontinued, shall be selected by the Registrar by lot in such manner as the Registrar in its discretion may determine. In either case, (a) the portion of any bond to be redeemed shall be in the principal amount of \$5,000 or some integral multiple thereof and (b) in selecting bonds for redemption, each bond shall be considered as representing that number of bonds that is obtained by dividing the principal amount of such bond by \$5,000. The County shall cause notice of the call for redemption identifying the bonds or portions thereof to be redeemed to be sent by facsimile transmission, registered or certified mail or overnight express delivery, not less than 30 nor more than 60 days prior to the redemption date, to DTC or its nominee as the registered owner of the bonds. If a portion of this bond is called for redemption, a new bond in principal amount of the unredeemed portion hereof shall be issued to the registered owner upon surrender hereof.

The County may give a notice of redemption prior to a deposit of redemption moneys if such notice states that the redemption is to be funded with the proceeds of a refunding bond issue and is conditioned on the deposit of such proceeds. Provided that moneys are deposited on or before the redemption date, such notice shall be effective when given. If such proceeds are not available on the redemption date, such bonds will continue to bear interest until paid at the same rate they would have borne had they not been called for redemption. On presentation and

surrender of the bonds called for redemption at the place or places of payment, such bonds shall be paid and redeemed.

The full faith and credit of the County are irrevocably pledged for the payment of principal of and premium, if any, and interest on this bond. Unless other funds are lawfully available and appropriated for timely payment of this bond, the Board shall levy and collect an annual ad valorem tax, over and above all other taxes authorized or limited by law and without limitation as to rate or amount, on all locally taxable property in the County sufficient to pay when due the principal of and premium, if any, and interest on this bond.

The Registrar shall treat the registered owner of this bond as the person exclusively entitled to payment of principal of and premium, if any, and interest on the bond and the exercise of all rights and powers of the owner, except that interest payments shall be made to the person shown as the owner on the registration books on the [15th] day of the month preceding each interest payment date.

All acts, conditions and things required by the Constitution and statutes of the Commonwealth of Virginia to happen, exist or be performed precedent to and in the issuance of this bond have happened, exist and have been performed, and the issue of bonds of which this bond is one, together with all other indebtedness of the County, is within every debt and other limit prescribed by the Constitution and statutes of the Commonwealth of Virginia.

**IN WITNESS WHEREOF**, the Board of Supervisors of Fauquier County, Virginia, has caused this bond to be issued in the name of Fauquier County, Virginia, to be signed by its Chairman, its seal to be affixed hereto and countersigned by the Clerk of the Board, and this bond to be dated \_\_\_\_\_, 2006.
